

TERROIR COLLECTION CABERNET SAUVIGNON 2018 OAKVILLE, NAPA VALLEY

Ahhhh...there's something so magical about this terroir. The Oakville appellation is so influential that a simple recitation of prominent Oakville winegrowers, from pioneers Robert Mondavi and Joseph Heitz to powerhouse brands Groth, Far Niente, and Opus One, through "cult Cabernet" producers Dalla Valle, Harlan Estate, and Screaming Eagle, tells the condensed story of Oakville.

We are quite simply giddy to share with you, our members, this small production (only 223 cases), single-vineyard Cabernet Sauvignon focused on highlighting the purest expression of the Oakville appellation.

In the very heart of the Napa Valley lies the town of Oakville. Once a steam train stop in the late 1800s, Oakville owes its name to the dense groves of native oak which once blanketed the area. One hundred years later, the Oakville name is synonymous with excellence in winemaking. A unique combination of soil, topography, and climate join together here, creating an environment that makes Oakville a viticultural treasure.

The 2018 Terroir Collection Cabernet Sauvignon is loaded with aromas of dark plums, chocolate, violets, and tobacco leaves. In the mouth, this wine explodes with ripeness; some might say it is overtly hedonistic and yet so easy to love. Its ripe, sweet tannins and purity of fruit, make it impossible to resist this incredible vintage.

We couldn't be more proud to bring this wine to you, it is a pleasure to work with this stunning fruit and to create something of such pleasure...we just wish we could make and offer you more!
